

# The Lowdown

What would summer be like without a Houseboat trip? Boring. That's what it would be like. So don't have a boring summer, have a fun summer! Come out and join the Refuge on the 3rd Annual Houseboat Trip.

This year we will be renting four houseboats out of Paradise Point Marina in Lodi and heading out to anchor in a cove in the California Delta. From there we will experience 4 Days and 3 Nights of waterskiing, wakeboarding, tubing, kneeboarding, kayaking, swimming, playing, boating, fellowshiping, worshipping, and tons of summer-time fun and relaxation!

This trip is available to all high school students (especially those who will be freshman in the fall!), and to all College students. But spaces are EXTREMELEY LIMITED! So sign up soon to secure your spot!

PLEASE Always remember that we don't want finances to hinder you or one of your friends from coming on the trip. We have financial assistance available and we want you to join us or we will miss you.
