"In the Meantime"

with **Debbie Alsdorf**

A national speaker and author, Debbie Alsdorf has spent years encouraging women to embrace the truth of God's love. With humor and honesty, she holds out Biblical truth to women in a way that changes their daily lives.

The theme of our weekend will be "In the Meantime" from Debbie's most recent book. She will share with us how to trust God and find peace "in the meantime." How do we apply God's Word to real life? How do we live in between a problem and its answer? We will look at application out of the book of Philippians.
